Website: <http://4gunsecurity.com>

- **Security Gunman,**
- **PS & Chief Security officer,**
- **Bouncers / Body Guards**
- **Industrial Security Guards**
- **Events Security Guards**
- **ATM/ Bank Security Guards**

and other manpower solution for Companies/building, apartment, hospitals, Colleges, Factory etc. As a Security Agency we secure your today and tomorrow by using every type of Security aspects in your premises. We strive to offer top class Security Guard services to our clients. Physical Guarding is the core part of our services offered across several client types and locations. Physical guarding incorporates deployment of unarmed and uniformed Security Guards as per the Client requirements. At Four Gun Fire Security Services, guards are chosen carefully after thorough and rigorous background research along with Police Verification. All of these Security Guards are well-trained in their duties before being deployed for the job.

Security Service Offers:

We have initiated Security Guard services in Delhi and other metropolitan cities intending to provide the finest security service across the country. Professionally trained men and women Security Guards perform a wide range of security services and are arrayed to cater to the needs and requirements of our clients.

Security Officers provide monitoring services for property owners to provide a safe environment and prevent violence. A Security Officer plays many different roles, but his primary task is to prevent crime. The presence of a Security Officer on the premises often serves as a deterrent to potential lawbreakers. Security Guards work in public and private buildings, as well as retail and wholesale establishments. Some work at transportation facilities guarding against potential terrorist attacks.

Best Service Provider

They are not Security Guards, but they perform far better than a Security Guard of a Security Company. Their dress up may be custom or your company specific needs. Apart from Manned Guarding we also assist in automatic devices for checking, verification, attendance etc. With our services spread across the country, we provide the best security guard services in Delhi NCR and many other major cities. Physical guarding, done with the utmost care and precision ensure the security of our clients. Four Gun Fire Security Services provides both armed and unarmed security personnel as demanded by the clients. Security Guards are deployed in several locations to tackle varied situations, where their presence might be required to scuffle off criminal activities.

House Keeping Services

FOUR GUN FIRE SECURITY SERVICE housekeeping program has a dedicated range of products and processes for housekeeping needs of your business be it a Corporate premises, Malls, Hospitals, Hotels, Industry etc. The range covers cleaning of almost all surfaces like artificial stone, glass, mirror, metal, upholstery and carpets. We are offering a complete package of housekeeping services that is backed by latest equipments and well trained housekeeping technical staff.

Basics of Housekeeping

Housekeeping can have various meanings for different people. For some, housekeeping brings up memories of a perfect childhood home. Others view housekeeping as a lost art that the present generation doesn't appreciate. Still, others consider it a throwback to when only women participated in housewifery. For many, housekeeping is a chore. It means doing something you have to do when there is so much more you'd rather do. It includes:-

- **Marble Grinding and Crystallization**
- **Floor Polishing**
- **Wax polish**
- **Scrubbing and Buffing**
- **Vacuuming and brushing of Carpet**
- **Spotting of Carpet**
- **Carpet Shampooing**
- **Hot Water Injection Extraction.**

Floor Care

Four Gun Fire Security Service has a comprehensive program for Floor and Carpet Care. It consists of an innovative range of strippers, polishes, floor finishes and sealants, covering a wide range of floors like marble, granite, terrazzo, ceramic, concrete, vinyl, rubber and soft floors like wood and carpets. The equipments and chemicals we use for restoration and maintenance of floor are safe, easy to use and offer choices of gloss levels, problem free applications and provide long term protection.
